

## ENROLMENT FOR MOTHER TONGUE LESSONS (MAI)

Return to the Coordinator of Multicultural Education

*The pupil's mother tongue complementing basic education is aimed for those students who can speak that language in question. The language can be the pupil's mother tongue, a language spoken at home or a language learned abroad. (For Turku International School pupils other languages than English or Finnish.) Instruction is provided for two teaching hours per week after the school day. Lessons take place in some schools only, and guardians are responsible for any travel costs. Please fill in this form only once during basic education (grades 1-9).*
