

Fill the Lunchbox

Cut out the lunch items from next page. Classify the food in two groups based on color, shape, or some other feature, like food group. You don't need to use all the food.

All of these foods...

All of these foods...

NEW
WORD!

Abstraction. The process of separating out details that are not needed in order to concentrate on the things that are needed.

Compare what kind of rules you came up with to classify the lunch.

Find something else to sort and categorise according to shape, color, size or some other way.

apple

grapes

lime

jam

waffle

lemon

porridge

sandwich
